

*At One Community Federal Credit Union, the health, safety, and financial well-being of our members is our main priority. Due to that, we are closing the lobby of our branch for general traffic starting Wednesday March 25, 2020. We are recommending online, mobile, and telephone solutions as our first choice to keep members and employees safe. However, you'll be able to deposit and withdraw funds as needed through our Drive Thru and ATM's and we will be available via the phone to take appointments for loan requests, account disputes and safe deposit box access.*

*We don't take this decision lightly, but we are following the recommendations of the Governor and state health officials about limiting public gatherings and practicing social distancing. We understand that due to the stay at home order given, you may be in financial stress. We will be helping our members through this time of crisis. Please contact us for options. One Community Federal Credit Union is committed to meeting the needs of our members during all stages of their life. During this time of crisis, it is no different. Please contact us at (304) 485-4066 for any questions you may have.*
